DIFFICULT QUESTION On 23rd June we will be voting in the referendum. The outcome will be one of the most significant decisions for a generation. It will determine the future direction of our country and our relationship with the rest of the world. As we have done in the past with challenging issues in which there is no middle ground decision available - we either vote in or out of Europe - we are holding a discussion evening at 8pm on Tuesday 14th June in Church Gate House. We invite everyone to listen and to express their views, and in particular to explore together the Christian dimensions to the European debate. All are welcome and refreshments will be served.
